“ Ad- we will always cherish the "picnics" we've had with you over the past few years at your home. We were able to solve the problems for the world. You are a dear friend and you will always be near to our hearts.

Finally your are back with your Elisabet.

We will miss you,

Mark and Carol Jones

“ Ad- I was so blessed to have known both you and Elizabet - and you both brought such joy, sarcasm and opinion to my life! I will always remember the many conversations and hearing your amazing stories about life, love and its meaning....you both shared your sweet Jenna with me and what love and joy she has brought into my life. I will miss that booming laugh and voice! Robin Gilliland

“ Lieve Ad, Dank je wel voor je vriendschap. Je warmte, je belangstelling, je humor en ook het delen van verdriet hebben mijn leven rijker gemaakt. Je hoorde gewoon bij Rennie en bij mij. Ik hoop dat je nu rust hebt gevonden en dat als er een hemel bestaat je daar nu samen bent met Elisabeth. Aan iedereen die van Ad gehouden heeft wens ik nogmaals sterkte toe en ik hoop dat iedereen met blijheid en een lach aan Ad zal terugdenken. Ik doe dat in ieder geval wel want Ad was een bijzonder mens. Liefs, Maria
