“ The BEST Mathematics teacher I ever had. She's really my inspiration in taking Civil Engineering, at first I am very hesitant taking CE. But when Ma'am Garcia became my 4th year Math teacher she boost my confidence taking that program. I owe a lot to you Ma'am and will always be grateful.

“ Mam Minda as we call her was my Math teacher on my first year in High School. She was so sweet and kind. Soft spoken and intelligent. I learned a lot about Maths and I can consider her as one of the few teachers who have great care to her students. After we became friends in FB, she never missed to greet me on my birthday. As my birthday approaches, I am sure to miss her greetings. We love you Mam Minda and you will be missed. We lost a warrior in education. Hail to a great person, a teacher with a heart.
